Office Action dated July 22, 2005
Response dated October 24, 2005

REMARKS

In order to expedite allowance of the application, we enclose a terminal disclaimer in order to overcome the obviousness-type double patenting rejection. This should not be taken as an agreement to the assertions made by the examiner in the Official Action.

No fee is believed due for this submission. However, Applicant authorizes the Commissioner to debit any required fee from Deposit Account No. 501593, in the name of Borden Ladner Gervais LLP. The Commissioner is further authorized to debit any additional amount required, and to credit any overpayment to the above-noted deposit account.

Applicant submits that the application is now in condition for allowance, and favorable action to that end is respectfully requested.

Respectfully submitted,

DE BOER, Evert et al
